### **Werkflo Group joins The RegTech Association**

We're pleased to share that Werkflo have joined The RegTech Association as RegTech members.

David Grey, Managing Director of the Werkflo Group states: "Our membership of The RegTech Association is a reflection of Werkflo Group's commitment to being a partner to the creators and innovators within the Australian Financial Services sector."

"2022 will see Werkflo launch a number of truly innovative software solutions never before seen within Financial Services anywhere in the world. In particular, we look forward to sharing the future of automated Trust and Fund Management compliance solution with the market. Our membership, and active participation, in The RegTech Association is a natural fit." - Aaron Cleavelly-Millwood, Head of Sales, Werkflo.
